Re: Oregon Amateur Radio Club
File No. 201204-296-020
Request for EAS Waiver

Dear Mr. Beers:

This letter is to update you on the status of our EAS-CAPs equipment order. To our surprise, the EAS equipment manufacturer delivered our equipment last Friday.

As of today, the equipment has been installed and is functioning 100% correctly. KQRZ-LP, Facility ID 134266, Hillsboro, OR is now fully compliant to the FCC's Rules (EB Docket No. 04-296).

Pursuant to Section 1.16 of the FCC's Rules, I declare under penalty of perjury that the foregoing is true and correct.

Respectfully submitted,

Ken Seymour; KA7OSM, President
